### Shemoves Adds Cheek To Fashion Festival

*After a gobsmacking performance at Nova's Nathan and Nat's Party at Club Capitol, pole dancing performances are the next big thing at your event and where better to kick off the trend but at Fashion Week.*

Audiences at the Telethon Celebrity Parade were dazzled by an amazing 5 pole gala performance by the sexy troupe from shemoves pole dance performance company. Not just for the eyes of fitness enthusiasts, this awesome show has been likened to the style of Cirque Du Soleil.

Combining an extravagant expose of sexy, sensational acrobatics with aerial mystique, the routines are also largely theatrical. The dancers were adorned in exclusively designed costumes and are primed with artistic make up and hair; a lot of glitz and a lot of glam.

Their platform was a jaw-dropper; a circular 4.5 metre stage with 5 free standing poles, propels each performer to a heavenly height.

The girls are set to knock the socks off guests at the Perth Fashion Festival on the 23 September at the Perth Convention Centre, show starts at 7pm.
